Implementation of Multi-Tiered Systems of Support

Pursuant to the Rules of the Nebraska Department of Education, the school district uses a general education Multi-Tiered System of Support (MTSS). MTSS consider and create problem-solving and intervention strategies to assist classroom teachers to meet the needs of students who may be struggling in the general curriculum.

All teaching staff must:

- 1) Support the MTSS process by appropriately referring students who may benefit from the MTSS process; and
- 2) Faithfully and consistently implementing the intervention strategies recommended by the MTSS.

The failure to support the MTSS process is a serious matter and may constitute just cause for terminating or canceling a teacher's employment.
