Relations with Non-Accredited Private or Home School Students

Students who elect to receive their education in a non-accredited private and/or home school under Title 92 of the ***Nebraska Administrative Code***, Chapter 13, may apply to the board for permission to participate in any of the curricular or extra-curricular activities of the district. The board will grant the student(s) application when, in its sole judgment, (a) the school district has the capacity to serve those students without adversely affecting the students who are enrolled as full-time students; (b) the applicant will have a positive effect on the activity and the other students; and (c) the applicant has the skills and/or knowledge necessary to participate in the activity.

Textbooks will be made available to home schools that exist under the guidelines of the Nebraska Department of Education.
