

6028.5
The Extracurricular Activities Program Days Allowed

1. General Purpose
 - a. Extracurricular Activities of our school system shall be kept within the perspective that they are secondary to the academic programs and must provide the flexibility to help our students be part of desired family and/or community programs or activity.

2. Governance
 - a. Policy 6028 directs that all extracurricular activities shall be under the exclusive governance and control of the school district.

3. Authorization of extracurricular school activity periods
 - a. All local school activities shall be confined to six days per week during the school year, Monday through Saturday. No school activities will be held on Wednesday night or Sunday without special permission from the superintendent of schools. All Grade 7 – 12 school activities must be completed by 6:00 pm local time on Wednesday evenings. All K – 6 school activities must be completed by 4:00 pm local time on Wednesdays.
