2. Integrity
3. High Expectations
4. No Excuses
5. Sense of Community
6. Respect
7. Accountability
8. “Bison” Pride

Board/District Goals

Immediate:

1. Develop a link between school, higher education, and community.
2. “Brand” the district in the community

Priority Goals:

Community

1. Develop a positive school culture that promotes student excellence in academics, athletics, and in activities.

Curriculum

1. Focus on seamless transitions within the district to include the needs of special education students.

Facilities

1. Address issues with the outdoor facility, locker rooms, and middle school/high school exterior lighting.

Long-term Goals:

1. Address additional needs that exist for early childhood education and meeting the needs of those students.
2. Develop a planned approach for the use of the Vet’s land and the possibility of utilizing the space for a career and technical education, higher education, and community learning center.
3. Establish a location for administrative offices to create additional space for student educational opportunities.
