What's Happening in the Classroom...

READING: We will be working in the Reading Mastery curriculum. Each group will continue at the best fit for them and move at a pace, with mastery as the goal. All groups will work towards correctly saying sounds, with the coordinating letters. Heggerty Phonemic Awareness Program will be completed at Intervention times. Rapid Reads are a great way to practice skills learned at school.

SCIENCE: We will be talking about what plants and animals survive.

MATH: We will be comparing objects.

HANDWRITING: We will be focusing on lowercase letters v w t (formation, placement, and size).

SOCIAL STUDIES: We won't be covering SS this week.

PBiS: We will continue to learn and review our Behavior Proficiency Scale. This is second quarter, so we will be completing grades for Safe, Respectful, and Responsible.
