TEACHER QUALIFICATION NOTICE - The No Child Left Behind Act gives parents/guardians the right to get information about the professional qualifications of their child’s classroom teachers. Upon request, the District will give parents/guardians the following information about their child’s classroom teacher:

1. Whether the teacher has met State qualifications and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.

2. Whether the teacher is teaching under an emergency or provisional teaching certificate.
3. The baccalaureate degree major of the teacher. You may also get information about other graduate certification or degrees held by the teacher, and the field of discipline of the certification or degree. We will also, upon request, tell parents/guardians whether their child is being provided services by a paraprofessional and, if so, the qualifications of the paraprofessional. The request for information should be made to an administrator in your child's school building. The information will be provided to you in a timely manner. Finally, the District will give timely notice to you if your child has been assigned, or has been taught for four or more consecutive weeks by a teacher who does not meet the requirements of the Act.

SPECIAL EDUCATION CHILD FIND - The Central City Public Schools asks you to assist us in our "Nebraska Child Find" efforts. This is an ongoing statewide search for all unserved children with disabilities, ages birth through 21.

If you know of a child who is experiencing difficulties with motor development, speech and language, vision, hearing or learning, please refer the parent to the number below. The Central City Public Schools District will provide an educational evaluation at no cost to the parent. If the child qualifies under Nebraska law, a free and appropriate educational program will be developed to meet his/her educational needs.

To contact us, please call Maureen McElhinny at 308-946-3057. You may also contact Nebraska Child find at (888) 806-6287.
